

HOPE'S GARDEN HAPPENINGS SPRING 2024 ISSUE

Dear supporters, partners, and friends -

We want to keep you in the loop of what is happening with Hope's Garden: We are now an official 501c3 nonprofit charity as Hope's Garden Maternity Home!! Yay! We got some unfortunate news however regarding the property where we held our Lullaby Luau: The county's zoning will not allow the owner (Michelle) to subdivide it and sell off just a portion to us, and since we cannot take on the entire property, we are on the lookout for another house we can lease-to-own for our maternity home. We are truly grateful for Michelle and her family's heart for our mission however and we will continue working together towards our common goals for LIFE!

**Please join us on
June 8th for
Our High-Tea
Fundraiser!**

Here is the link for tickets:
<https://givebutter.com/hopesgardenhightea>

We are discouraged but not dismayed! God will provide! Will you continue supporting our efforts to bring babies into the world and helping their mamas come to know the Lord and His goodness?

Come hear the heart of Avary, our wonderful House Mama and a moving testimony of a mother who recently graduated from a maternity home!

We are hosting a spring high-tea fundraiser on June 8th from 12:00-2:30pm at Southlake Church located at 1555 SW Borland Road, West Linn. Please join us!!

Here is the link for tickets:

please bring your moms, friends, sisters, children and anyone who would be blessed by a time of food, fellowship, song, and testimony.

Thank you again for your love, prayers, and beautiful support - this garden can only grow when we come together!
